Payments	Fee Exemptions	Fortnightly Fee Capping
Payment may be made by cash/cheque and CentrePay or EFTPOS facilities are available. An invoice will be provided if you are not paying on the day.	If someone is assessed as needing a service provided by GLCH and is unable to pay the nominated fee, he/she will not be denied service.	To ensure people with high or complex needs are not disadvantaged, some services offer capped fees on a fortnightly basis.
